

## CMASS COVID 19 PRECAUTIONS

PLEASE:

1. Do not come to the launch if you are uncomfortable with your health situation.
2. Do not come if you have been exposed, had covid-19 or a positive covid-19 test in the past 14 days.
3. Do not come if you have traveled to a high-risk state within the last 14 days. See below.
4. You are required to bring your own face mask and gloves!
5. To reduce possible exposure, the club will not be providing food during our launches.
6. We encourage bringing enough fluids to stay hydrated.

### **Massachusetts COVID-19 Travel Order Effective August 1, 2020**

Anyone traveling to one of the restricted states, must follow a 14 Day Quarantine period after returning to Massachusetts or produce a negative COVID-19 test result that has been administered up to 72-hours prior to your arrival in Massachusetts, unless you meet one of the exemptions.

**The Restricted States are being updated continually so check the site below for the up-to-date list.**

For more information, a list of the exemptions and the Massachusetts Travel Form, go to

<https://www.mass.gov/info-details/covid-19-travel-order#massachusetts-travel-form->

Commonwealth of Massachusetts regulations set a limit for the number of people who can be in attendance at outdoor functions such as our launches. This limit includes all participants and spectators. This number is constantly reviewed by the Commonwealth and is subject to revision on short notice. Please see the Launch Status thread on the website forum to see what the number is for the next scheduled launch. If this number falls below 50, we may have to postpone or cancel a scheduled launch. Please keep an eye on the club website for up-to-date information about our launch status.

All flyers must print and sign the signature page to certify that they agree to follow the rules. Leave the signature page at the RSO. If you cannot agree to all of the rules, please do not attend the launch. The information is for COVID tracing in case someone is infected.

We believe these guidelines will be easy to follow. They are largely an extension of what we have all been used to in recent months, involving social distancing, using face masks when in close or in common areas, and minimizing physical contact that can spread disease. Flyers are responsible for their own safety

1. When you park, please leave one empty parking space between cars.
2. Please leave 6-feet between canopies or the next person's area. Respect other people's safe areas.
3. There may be a porta potty, but the club will not be responsible for sanitizing it.
4. **Access to the RSO Table**
  - a. Masks are required at the RSO table and while in line.
  - b. There is a limit of one person per rocket while in the RSO line.  
NOTE: A child may be accompanied by one adult.
  - c. Maintain six feet between each other while in line.
  - d. Please be courteous to the RSO. He or she will be handling every rocket.
  - e. Leave your flight card and rocket at the RSO table, then back up four feet while you wait for your pad assignment.
  - f. Once you receive your pad assignment, take your rocket from the RSO table, and keep your mask on until you get to your assigned pad.
  - g. Next person in line, please do not approach the RSO table until told to do so.
5. Hand sanitizer will be located at the RSO table, but fliers are responsible for bringing their own masks and gloves.

Your signature below is your agreement to abide by the CMASS COVID-19 guidelines.  
You must fill in everything below LEGIBLY, and sign. Leave the form at the RSO.  
You must provide the below form for each CMASS launch that you attend.

Flyer's Name:
Date Attending Launch:
Cell / Home Phone:
Address:  Street:  City:  State:
Names of Spectators with Flyer:  _____  _____  _____  _____
Signature (please print form and physically sign):  _____
